Clothing – Accessory (Personal)  
Musical T&E (T&E Comm)  
Documentary Artifact (Comm Artifact)

**SIZE:** Total: 1,597

**DATE RANGE:** 1683 - circa1950

**MANUFACTURERS:** The following list contains only those makers who have been identified. They are organized alphabetically by country of origin. Several pieces have no makers mark or the marks are not decipherable. Other pieces have marks that have not been identified. Most silver comes from American makers, particularly Philadelphia. Other states include Rhode Island, New Hampshire, Louisiana, South Carolina, Delaware, Connecticut, New York, New Jersey, Massachusetts and Maryland. Several pieces came from England, Ireland, Scotland and possibly Holland.
